

# Career Redeployment Coaching

CMP Career Coaches are widely recognized for their levels of experience, contemporary insights, and high-touch approach—each Candidate is unique and is treated as such.

## Coaching

### Diverse

Represent the widest variety of experiences and backgrounds to facilitate candidate matching.

### Knowledgeable

Ensure deep knowledge of your company to assist candidates looking to shape their careers.

### Experts on Proven Methodology

Trained and certified on CMP practices and Career Victory Path Phases.

### Contemporary

Up-to-date on tools and technology in a dynamic job and career transition market.

### Focused on Well-being

Tools to deal with the emotional challenges of career transition, with access to clinical support.

### Quality and Process Driven

Receive ongoing client and candidate feedback to drive consistency and continuous improvement.

## Career Victory Portal

CMP's Career Victory Portal is a global resource offering the most contemporary tools to support every phase of a successful career transition, including resume and LinkedIn optimization, on-demand training, job aggregator, access to networks and recruiters, interview simulator, and much more.
